

*New Perspectives, New Strategies, New Opportunities*

# **Beckman Coulter** **Symposia 2009**

*Save the Date*

## **July 16th, 2009**

**Time: 11am PDT**

**Location: ONLINE**

*details provided upon registration*

**To register, please visit**

**[www.BeckmanCoulter.com/Symposia2](http://www.BeckmanCoulter.com/Symposia2)**

Watch for information on future Virtual Symposia topics. We will be discussing "Remisol - Data Management in Action" on August 20th.

**Beckman Coulter is pleased to announce our second Virtual Symposia event.**

*This exciting new format brings the education to you at **no cost** and with **no need to leave the lab.***

Please join us for our second virtual symposia topic:

***Cardiac Update: New Guidelines and Best Practices for Superior Clinical Performance***

Presented by David Schaffner, PhD.

This presentation discusses the dynamics of acute coronary syndrome and the pathogenesis of the disease. The role of cardiac markers and in particular cardiac troponin will be illustrated along with its relationship to measurement with current methodologies. The session will review the NACB's recently updated Laboratory Medicine Practice Guidelines for Biomarkers of Acute Coronary Syndrome as well as the ACC/AHA Guidelines for Management of Patients with Unstable Angina/Non-ST-Elevation Myocardial Infarction. Pre-analytical and analytical factors necessary to ensure optimal clinical sensitivity and precision will also be discussed.

***Earn Continuing Education Credits (CECs). Beckman Coulter is an approved provider of continuing education programs in clinical laboratory science by the ASCLS P.A.C.E.\* Program. Earn one contact hour of P.A.C.E. credit for attending each lecture.***
