Watch for information on future Virtual Symposia topics. We will be discussing "PSA Testing: The Disconnect Between Standardization and Clinical Interpretation" on October 1st.

Beckman Coulter is pleased to announce our fourth Virtual Symposia event.

This exciting new format brings the education to you at no cost and with no need to leave the lab.

Please join us for our fourth virtual symposia topic:

**Testing for Chronic Kidney Disease (CKD):
Creatinine, GFR, UA1b and More**

Presented by Jack Zakowski, PhD

This session will review recent initiatives by NKDEP, IFCC, and others to improve diagnosis and monitoring of Chronic Kidney Disease (CKD). The Creatinine Standardization Program will be reviewed along with various equations for eGFR and the reporting guidelines. Focus will be on recent advances on creatinine standardization, eGFR use and reporting, the standardization and use of urine albumin measurements, and on newer CKD markers such as Cystatin C.

Earn Continuing Education Units (CEUs). Beckman Coulter is an approved provider of continuing education programs in clinical laboratory science by the ASCLS P.A.C.E. Program. Earn one contact hour of P.A.C.E. credit for attending each lecture.*
